Fenway Park (Images Of America)

Synopsis

Five days after the sinking of the Titanic, Boston's Fenway Park held its grand opening. Since that day, millions have witnessed the Red Sox play baseball. Their "Royal Rooters" evolved into the "Fenway Faithful" and are now commonly referred to as "Red Sox Nation." Nine World Series have been staged upon Fenway's turf, along with three Major League All-Star Games. Aside from baseball, Fenway has been host to professional and amateur football games, ice hockey, basketball, soccer, lacrosse, hurling, boxing and wrestling matches, and even a circus. Music from concerts has reverberated across its lawn, religious services have been held, and political rallies staged—all adding patches to the quilt of Fenway's rich, illustrious history. The structure that noted author John Updike referred to many decades ago as "a lyric little band box" has become one of New England's most beloved historical landmarks.

Book Information

Series: Images of America

Paperback: 128 pages

Publisher: Arcadia Publishing; 1st Edition edition (April 4, 2012)

Customer Reviews

This book is full of interesting information and amazing photos- most have never been published before. The authors are local guys- from the Boston area- which makes the perspective spot on and a local tie that I appreciate. This is the perfect book to commemorate the 100th year of Fenway Park. I recommend it highly!
