Legends Of Light: A Michigan Lighthouse Portfolio

Synopsis

The many moods of Michigan's majestic sentinels are brought to life by the amazing images in Ed Wargin's *Legends of Light*. Wargin, one of the region's most talented photographers, has been busy shooting Michigan lighthouses, trying to capture each in a manner that exudes the unique character of these popular lakeshore monuments. By land, air, and sea he takes you on a personal tour of his favorite locations-from the remote and rarely seen to the most heavily visited tourist sites. From summer's gentle sunshine to winter's bitter fury, each page of this book reminds the reader why millions of people visit Michigan lighthouses each year. Let Wargin's book help you plan a trip or take you to places of which you can only dream.

Book Information

Hardcover: 145 pages

Customer Reviews

Aficionados of lighthouses take note! Ed Wargin has photographed the lighthouses of Michigan and his work is impressive. His talent is evident as he is able to breathe life into his subject matter. *Legends of Light* contains lighthouses photographed from the inside and outside and various prospective of the surrounding area, including the environment. Wargin gives us a bonus because he lists all of the Michigan lighthouses and provides a map of their location in the back of the book. That added immensely to my enjoyment. Gull Rock on Lake Superior was established in 1867. The view from above of the lighthouse perched on its own tiny island is dramatic. You're alternately drawn to its beauty and repelled by the confinement. The internal photograph of Lake Michigan's St. Helena Island lighthouse is warm, cozy and ever so inviting. I wanted to snuggle up with a book by

the stove and read while drinking a cup of hot tea. The stark reality of winter in a northland lighthouse is evident in Wargin's photograph of Cheboygan Crib Light on Lake Huron. As I gazed on the winter white, I found myself becoming chilled. It is extraordinary for a photographer to elicit such strong feelings and emotions from a viewer. The interior of Whitefish Point on Lake Superior is a room that could be found in any home, yet it is in a lighthouse. The burial site near Rock Harbor is fascinating and evokes all sorts of questions like who, when, how? South Manitou Island lighthouse on Lake Michigan has my heart. Actually, I found myself studying the picture and returning to it repeatedly. I'd love to live there. Wargin has captured the flavor and the majesty of lighthouses with his wonderful images.
