The Elite Adjuster Method

Synopsis

This is a tough business to get into, a tough job to get good at, and an even tougher business to excel in. An adjuster needs all the help they can get. We are confident that these resources will help to make new adjusters more successful out of the gate, give experienced adjusters an extra edge so that they can get more claims done in the same amount of time with less work and stress, and provide the industry with more competent, confident, fast, and accurate adjusters. In short, The Elite Adjuster Method eBook will teach you how to be successful “and make money” even on the very first storm of your career.

Customer Reviews

I purchased this for my father who has been in the building and restoration (fire, water, mold) for years. He gave the book fantastic reviews saying it was "the roadmap" for great adjusting.

Book is straight to the point and informative. Enjoyed reading and learning from it. Would buy another book by this author.
