To The Lighthouse: An Explorer's Guide To The Island Lighthouses Of Southwestern BC

Synopsis

Vancouver Island and the Gulf Islands are home to over two dozen active lighthouses. For over a century, these coastal beacons have guided ships through the fog and represented hope for countless mariners. Today, the lighthouses on BC's southern islands are ideal destinations for day trippers and coastal explorers of all ages who are looking for historical sites in spectacular maritime settings. *To the Lighthouse: An Explorer's Guide to the Island Lighthouses of Southwestern BC* offers a comprehensive and fascinating look at these remarkable landmarks, blending practical information on location and accessibility with riveting facts, local lore, and gorgeous photography. From Fisgard Lighthouse, a National Historic Site at the mouth of Esquimalt Harbour, to the remote west coast sentinels of Cape Beale and Pachena Point, and from the isolated Cape Mudge beacon on Quadra Island to the community-supported restoration project at Sheringham Point, this book celebrates a unique culture of public service passed down through generations. *To the Lighthouse* is a travelling companion like no other.
