Notorious RBG: The Life And Times Of Ruth Bader Ginsburg

Synopsis

NEW YORK TIMES BESTSELLERâœ“The authors make this unassuming, most studious woman come pulsing to life. . . . Notorious RBG may be a playful project, but it asks to be read seriously. . . . That I responded so personally to it is a testimony to [its] storytelling and panache.â•“ Jennifer Senior, New York Times

Supreme Court Justice Ruth Bader Ginsburg never asked for fameâ•“she has only tried to make the world a little better and a little freer. But nearly a half-century into her career, something funny happened to the octogenarian: she won the internet. Across America, people who werenâ™t even born when Ginsburg first made her name as a feminist pioneer are tattooing themselves with her face, setting her famously searing dissents to music, and making viral videos in tribute. Notorious RBG, inspired by the Tumblr that amused the Justice herself and brought to you by its founder and an award-winning feminist journalist, is more than just a love letter. It draws on intimate access to Ginsburg's family members, close friends, colleagues, and clerks, as well as an interview with the Justice herself. An original hybrid of reported narrative, annotated dissents, rare archival photos and documents, and illustrations, the book tells a never-before-told story of an unusual and transformative woman who transcends generational divides. As the country struggles with the unfinished business of gender equality and civil rights, Ginsburg stands as a testament to how far we can come with a little chutzpah.

Book Information

Hardcover: 240 pages

Publisher: Dey Street Books; annotated edition edition (October 27, 2015)

Language: English

ISBN-10: 0062415832

ISBN-13: 978-0062415837

Product Dimensions: 7.5 x 0.8 x 9 inches

Customer Reviews

I don't think someone from my generation would have the imagination to design a book this way, or to include a photo feature about a Supreme Court Justice's "swag." But fundamentally this is a

wonderful book about the difference an individual can make. The book's breezy style has a deeper and more serious significance, as well. I was touched by many things in this book, not only the courage of Justice Ginsburg's opinions, or the loving handwritten note from her dying husband, but even by the photos illustrating her close friendship with Justice Scalia, one of her ideological opposites - it's rare to see such a mesh in these times. The format is terrifically creative for this sort of subject: the NY Times reviewer aptly described it as being "as if a scrapbook and the Talmud decided to have a baby." The latter comes in especially for the way the book's margins are used for commenting on everything -- not just for the obvious connections to a Justice who is Jewish. (Apropos of that, though, one thing did puzzle me: the recipe for pork in milk at the back. Breaking two of the Jewish religion's food taboos at once -- isn't that a little gangsta? Was that the idea, or is the whole thing a joke? And actually, one other thing: the publisher's subject classification on the back cover is "Fiction." Aside from the recipe, I hope not.) I now live in Japan and teach comparative constitutional law there. Pretty much no one, including most law professors, can name the justices of the Japan Supreme Court, who are chosen for their anonymity, their conformity to a certain social background, and their timidity of thought. And throughout its nearly 70-year existence, the JSC has always upheld laws and regulations that limit civil rights.
