I have struggled my whole life avoiding photos as I always felt frumpy or fat or just awkward I have purchased Kate's book and I cannot get enough photos taken of me. It has changed my life ^,,

An interesting read. The book gives practical tips that allow you to have a range of moves up your sleeve for different photo occasions. I enjoy taking group pictures with my friends when I am out and about. And now I will look the best!

Pleasantly surprised at how much advice was given for men as well as women. Great professional tips for LinkedIn.
