Modern Living: How To Decorate With Style

Synopsis

Who hasn't had that feeling that something needs to change ASAP? And by something, we mean nothing less than our daily environment, the space immediately around us-- our apartment, condo, or house. The reasons we need a change are legion: we might want to paint the boring white kitchen walls a more interesting color, or get frustrated at all the time we spend burrowing around in the back of the closet for something to wear. Or maybe there's no storage in the bathroom, so what should we do with all of the towels and shower supplies? Now you can get all the help you need from a professional. Claire Bingham develops customized solutions for her clients that re-define how space is used and take maximum advantage of available options. Using easy to understand do-it-yourself projects, *Modern Living - How to Decorate with Style* shows how investing just a little time and money can make a big splash in your home. Working on your own, you can give your home a facelift that will make it even more comfortable and beautiful.
