Sea Isle City Revisited (Images Of America)

Synopsis

The island eventually known as Sea Isle was first purchased by Joseph Ludlam in 1692 for use as a grazing pasture. The island changed almost overnight when Charles K. Landis purchased it in 1880, intent on creating a seaside resort. After adding a railroad and hotels, tourists soon followed. The boardwalk hosted beach parties; clam bakes; and bicycle, sack, and even motorcycle races. Wedged between the Atlantic Ocean and the back bays, commercial fishing companies shared the waters with casual anglers. Recreational sailing, yacht racing, and sport fishing have long been popular with Sea Isleâ™s year-round residents and visitors alike. Sea Isle City Revisited showcases the rich maritime and recreational history of this New Jersey coastal town.
