Theatre And Ethics

Synopsis

What is ethics and what has it got to do with theatre? Theatre & Ethics is about how to act. It explores theatre as a practice through which we experiment with ethical action. Drawing on vivid examples from Sophocles through Shakespeare, to Brecht and the contemporary theatre of Goat Island and Soc  tas Raffaello Sanzio, the book highlights key moments in the history of theatre as an ethical practice and raises fundamental questions about what theatre is for and how audiences interact with it.
