Workbook For Insurance Handbook For The Medical Office, 13th Edition

Synopsis

Gain real-world practice in insurance billing and coding! Corresponding to the chapters in Fordney's Insurance Handbook for the Medical Office, 13th Edition, this workbook provides realistic, hands-on exercises that help you apply concepts and develop critical thinking skills. Study tools include chapter overviews, key terms, chapter review exercises, and case study assignments. Key terms and abbreviations lists at the beginning of each chapter provide a quick reference to the health insurance terminology you need to know. Critical thinking assignments help you connect theory to practice with real-world scenarios. Self-study exercises including matching, true/false, multiple-choice, mix and match, and fill-in-the-blank questions help you practice important concepts. Performance objectives make learning easy by highlighting what you need to accomplish in each chapter. Study outlines focus your review by listing key points for each chapter. UPDATED content reflects changes in the text, ensuring you have the latest guidelines and regulations for medical insurance billing and coding available. UPDATED coverage of key health insurance topics includes HIPAA compliance, the HITECH Act, health reform of 2010, electronic health records, NUCC standards, Physician Quality Reporting System (PQRS) Incentive Program, meaningful use, and CPT 2013. NEW CMS-1500 (02-12) claim form includes block-by-block explanations and examples. UPDATED ICD-10 coding information prepares you for the ICD-10 transition. UPDATED self-assessment quizzes on Evolve test your knowledge of the material in each chapter. UPDATED guidelines for the filing and submission of electronic claims include sample screenshots, preparing you for the future of the medical office.

Customer Reviews

well written and easy to follow.

I was short of cash and I needed the textbook next school day so I opted for regular delivery but I was surprised when I received it in ONLY ONE DAY'S time as tho I paid for expedited. I am really a believer that delivers. Thanks a lot. From now on it is only for me for my textbook needs

Thank you !!!! SO muchhhhh!!!! i was supposed to get it by Monday but got it 3days before!!! and its in PERFECT CONDITION!! NO RIP OR TEAR !!! thank you definitely worth it!!

It was great just what I needed, in very good condition brand new. The only thing was I ordered it and it took exactly a week, even though I paid extra shipping.

Had a bunch of writing with the answers filled in from the previous user. Also had pages missing

All I have to say is there is a \$20 restocking fee on a \$40 book

Fast shipment. Excellent price. New book. With no complications.

Exceeded expectations. And the price was well worth it
