Fundamentals Of Property And Casualty Reinsurance With A Glossary Of Reinsurance Terms

Synopsis

NEWLY REVISED FOR 2016! Each year, the Reinsurance Association of America (RAA) receives countless inquiries regarding the mechanisms and technicalities of the reinsurance business. This publication should answer many of those questions. First published in 1972 and newly revised in 2016, this booklet reflects the efforts and input of several of the most experienced reinsurance terminology experts in the industry. It is only through their efforts that we are able to produce such a complete and accurate publication, and we thank them for their time, patience and willingness to contribute. As in the case of previous editions, the RAA is publishing this booklet in the belief that it will be both an informative educational tool and a convenient reference for practitioners. While we have attempted to ensure that definitions reflect current industry practices, we do not suggest that it be considered authoritative for the resolution of legal disputes.

Book Information

Paperback: 82 pages

Publisher: CreateSpace Independent Publishing Platform (July 4, 2011)

Language: English

ISBN-10: 1469909898

ISBN-13: 978-1469909899

Product Dimensions: 6 x 0.2 x 9 inches

Average Customer Review: 3.7 out of 5 starsÂ Â See all reviewsÂ (3 customer reviews)

Best Sellers Rank: #398,893 in Books (See Top 100 in Books) #5 inÂ Books > Business & Money > Insurance > Property

Customer Reviews

The book is very good and reliable for quick references. It also includes a well-drafted and accurate introduction on the bases of reinsurance, which is extremely helpful for beginners.

Lots of industry lingo and concepts presented, but left unexplained. Glossary/index 3x as long as the actual reading material. good for quick reference, but not recommended as a primer on the industry. Also, copy arrived in bad condition--bent at the spine in a few spots

Great reference.
