This boom is a nice reference book how i can get ahead of this game. Actually the original plan was that my daughter get to play the game..eventually i was encouraged to play the game as well because it entertaining. I also approved of this game for my child because i found it child friendly. Their analysis gets practiced in terms of deciding what material to use that could withstand any disaster etc. So i got this book so we can maximize the game. Indeed the book has provided as with tips and techniques how to better play the game.

My nephews enjoyed this book as it reveals some amazing combat tricks, hack secrets and many more exciting information that kids will love. It is easier for them to play Minecraft especially when

applying the combat tricks they learned in this book. They keep on thanking me for buying them this kind of book. And I know children playing Minecraft will enjoy this too as they learn many tricks and tips.

I have purchased this book for my little son who is a big fan of Minecraft. He enjoyed reading this book very much and said that it includes many combat secrets and game tricks he didn't know before and which have improved his game experience.

I'm a minecraft's books fan, I admit. So when I saw the cover of this book, I couldn't resist downloading it. And I'm so glad have ! This book is a good laugh right from the first page. It's a funny, amusing parody of a Diary of a Wimpy Kid, that farts again and again and again... Hilarious ! I love the diary format. It is so well written. What a farting creeper !! Recommended !!

I was not really a big fan of minecraft but I was really interested in the game play of it. I think the book is good and very helpful for beginners like me. I appreciate that it is simple and easy to understand. I just started play it and so far I really enjoy playing the game.

Combat survival mode will become much easier with this book. I found it to be very helpful and it gave me some great secret tips to increase your survival rate and avoid damage as much as possible. I always struggle the most when in this mode which is why i grabbed this book for free. It will definitely be helpful for my future game play!

My siblings are quite a fan of minecraft and they need shortcuts that will enable them be a pro on the game. This book provides you with all the war techniques you need to help you playing the game. This will help you become a pro in minecraft combats.

My boyfriend loves this game, and he is constantly trying to convince me that I start with playing this game. I took this book to try to learn how can I play Minecraft. I have read this book, and I admit that I more like this game. Here I found a lot of useful information, and now I understand this interesting game. Anyone who wants to learn more about Minecraft, must read these instructions.
