Guide To Sea Kayaking In Maine (Regional Sea Kayaking Series)

Synopsis

A detailed guide to the forty best sea kayaking destinations along the Maine coast, including maps and alternative routes. The routes range from short, well-protected trips for beginners to more challenging trips designed for experienced kayakers. There is information on accommodations, restaurants, parking, camping, and boat ramps.

Customer Reviews

We just returned from a trip to Maine - we used the book to plan our excursions - It still required usage of an atlas and GPS for some areas but it is a useful book - We plan to use it again and will update!

I took this on as a guide for which trips we were going to take and it was good the gauges are pretty accurate, we are moderate skill levels and all the trips recommended that were not ridiculously difficult were nice...no serious issues.

Great book! fast delivery, accurate description.
