Customer Reviews

Incredibly funny! Having just seen the stage edition, I was anxious to read some of the words I didn't hear well (old ears, here....rather no hear)The story is wonderful, imaginative, fast moving, and delightful. If you liked Peter Pan either as a child or an adult, you'd love this play.!

I received this product right in time. I am an actress auditioning for this show soon and even after seeing it twice (once off Broadway) I still love to have it for research and as a part of my collection. I highly recommend this script be a part of any actor or director library. There are so many opportunities for creativity and character. I highly recommend this play!

I like this play because it has humor and it has a good story line. It was hard to understand at first, but after looking it over again, I understood it and liked it. I liked the part of the flying cat. I thought it was very funny how Captain Hook came to be named.You can't go wrong with pirates,

mermaids, crocodiles, and starstuff. By Zach

This is a great book explaining how Peter Pan came to be. You will want to see the play.
