Customer Reviews

the guide is very helpful when ordering tickets for most venues in new york...the new guide is more up to date with lots of reconfiguring and new constructions taking place...these venues do change....

Been missing "Stubs" for years. Glad to have found an alternate source of theatre information. It's great to finally have updated seating plans. Book is clear and easy to read. Delivery was fast; book was well packaged. Happy customer.

I always use this to see the actual Location of the seats before I buy

Great little book for NYC theater buffs...
